

The instructions are as follows:

1. Go to: [www.citiprogram.org](http://www.citiprogram.org)
2. Select "New User". Make sure to sign as a member.
3. Under "Participating institutions, scroll down and select "University of Puerto Rico Medical Sciences Campus".
4. Working with the IACUC
5. Sign up for "Working with the IACUC Course" and for the trainings on all the species that you want (mice, rat, hamsters, etc), Example: be sure to check off that you work with non-human primates (NHP) for the "Working with Non-Human Primates" course.

A certificate will be created for you to submit to IACUC at the end of the on-line training test.

If you have questions, please call us.
